How do you save up to $436?

Separate Equipment	AeroLux
TRADITIONAL	ALL-IN-ONE
 ① 320W grow light $220  ② Carbon filter $40  ③ Exhaust fan $60  ④ Accessories $15 ⑤ Controller $60 INITIAL TOTAL **$395**	 SUGGESTED RETAIL **$319**
Carbon Replacement / 3 Years	Carbon Replacement / 3 Years
TRADITIONAL FILTER  **$40 per filter** **× 4 replacements/year** **× 3 years** **= $480** Replace the complete filter.	 1 pouch shown **$10 per set of 4 pouches** **× 4 replacements/year** **× 3 years** **= $120** $10 buys all 4 replacement pouches.

TOTAL SAVINGS UP TO **$436** ($395 + $480) – ($319 + $120)
Calculated at a $319 purchase price.

Illustrative MSRP comparison. Initial carbon media included. Maximum savings assumes four paid carbon replacements per year for three years under continuous, high-odor use. Actual replacement frequency varies with usage, airflow, humidity and odor load. Excludes electricity and optional accessories.

Why does setup take ONLY 5 minutes?

Separate Equipment

Initial setup **30 min**

1. Hang the grow light
2. Mount the carbon filter
3. Mount the exhaust fan
4. Connect the ducting
5. Connect and organize the cables

Carbon replacement **10 min**

Replace the carbon canister.

AeroLux

Initial setup **ONLY 5 min**

1. Hang the integrated unit
2. Connect the duct
3. Plug it in

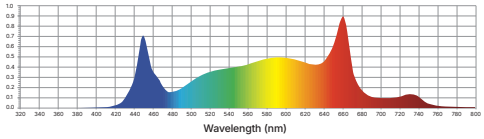

Carbon replacement **2 min**

Replace the carbon pouches.

What makes AeroLux's performance outstanding?

Adjustable & Expandable Lighting
320W main lighting, expandable to 480W with two optional 80W side wings. Add four optional 15W side light bars for lower-canopy coverage.

Full-Cycle Spectrum + Far-Red
Designed for the full grow cycle, from vegetative growth to flowering.

10-Speed Airflow Control
Choose from 10 fan speeds.

Deep Filtration. Longer Carbon Life.
10 cm deep activated carbon granule filtration. Hot air keeps the filter carbon dry, extending its lifespan.

Exhaust Fan Airflow
300 CFM

Airflow: ≥300 CFM

PPE: ≥2.9 µmol/J

Active LED Cooling
Active cooling helps keep LEDs cooler and extend their service life.
